

AIFM partner exclusively for impact funds and fund managers

Impact AIFM Services

With an increasing number of investors and of funds being raised to make impact investments contributing to the Sustainable Development Goals (SDGs), it is key to ensure that your impact fund applies best impact management practices at each investment step. To achieve this, our AIFM is your partner for Luxembourg regulated fund management services.

Innpact Fund Management S.A. is an independent AIFM established by Innpact, a leader in impact finance with a 13-year track record in structuring impact funds, impact advisory and third-party fund management support.

We are committed to drive impact and SDG-focused private equity or private debt investments – all sizes and strategies, open or closed funds – and we provide the AIFM passport for EU marketing.

Our clients benefit from an AIFM with full access to the impact expertise and resources of Innpact.

**As your AIFM, we let you focus on your strengths:
deal sourcing - asset management - fund raising**
