

At the forefront of impact investing

Fund Management Services

Innpact provides advice on portfolio and fund management to emerging and established impact investment advisors who are experts in their scope of investments and want to quickly adopt best market practice of impact fund management. As experts in impact finance, Innpact offers a high value extension to your fund management team.

Innpact is a leading impact finance specialist providing advisory and third-party fund management services. Our team has unrivalled expertise in designing and structuring impact funds and blended finance vehicles. We work with fund managers, sponsors, and investors around the world on impact investing projects totalling more than USD 6 billion targeting the Sustainable Development Goals.

We let you focus on your strengths:
Deal sourcing - Asset management - Fund raising
